

**The Kansas ElectroRally has four race classifications - novice, standard, experimental and open class.**

**Novice Class** - Teams that have not participated in an ElectroRally event.

**Standard Class** - Teams that have participated in an ElectroRally event.

**Solar** - Car may have added power source such as solar panels.

**Open Class** - Anyone may participate as long as they follow racing rules and design guidelines.

**(Not available at all Kansas ElectroRally events)**
